Academic Institution Discount Program

We have a special program for college, university and high school departments who wish to populate a graphic design computer laboratory with any of our font editor products. This requires a purchase of 8 or more copies of one of the products and the appointment of a single person at the institution to be the contact person for support and maintenance between Fontlab Ltd. and the institution. Under this program the institution gets a 65% discount from the retail price of new licenses for FontLab Studio, TypeTool, AsiaFont Studio or BitFonter. Please contact Lisa Devlin, lisa@fontlab.com, or call +1-866-571-5039 for further details.

To place an institutional order print this page. Fill in the blanks. Then fax it, along with a copy of your institutional purchase order to +1 509 272-3260 or scan and email them to orders@fontlab.com.
